

**Stacy Dickert-Conlin**

Stacy Dickert-Conlin is a Professor in the Department of Economics at Michigan State University. She received her Ph.D. from the University of Wisconsin-Madison. Her research focuses on organ donation and transplant policies and outcomes and the effect of taxes and welfare programs on family structure decisions and participation. A recent project investigates the role of information in increasing diversity in the economics major. She also serves as the coeditor of the *National Tax Journal*.
